What do you think of Hunt's \$25 Coats

Richard Keys, an inmate of the County In-  
firm, was reported seriously ill last evening.

THE LEDGER yesterday, in introducing the  
new firm of Briebls & Diener, made Mr. George  
Diener a member of the company, when it  
should have been Mr. A. F. Diener. The new  
proprietors purchased only the stock of pianos  
and furniture of Mr. John I. Winter, Messrs.  
Kirk & Kirk—E. T. and Maurice—having  
bought the implement stock.

HUNTING  
SEASON!

When the chilly autumn winds wall through the leafless  
branches and the whistle of the quail is heard in the meadows, the  
heart of the hunter is stirred and he longs to shoulder his trusty  
gun and, with dog at heels, tramp the uplands in search of  
game and health. The season is close at hand. Be ready, and  
when the first holiday comes get an early start. You will need a  
good Hunting Coat, pair of Leggings and strong, well-made  
Gloves. We are headquarters for this class of goods and invite  
your inspection.

MR. FARMER, your busy season is also close at hand. To be  
ready for the hog killing you will want a Sausage Grinder, Lard  
Press, Keen Kutter Hatchet with a smooth sharp edge, and good,  
strong, well-tempered Butcher Knife, a Food Cutter and a good  
Lantern. Perhaps there are other things you need and will find  
out when you look around our large and up-to-date stock. We are  
here to please you.

## MARRIAGE CONTRACT

Court of Appeals Reverses a Suit  
From Robertson County

The case of Nancy Tilton vs. E. L. Tilton's  
Executor, from Robertson county, was reversed  
by the Appellate Court a few days ago.

A marriage contract provided that in con-  
sideration of a sewing machine and a black  
mare the wife would relinquish all claim to  
the husband's estate.

Mrs. Tilton lived with him thirty-two years.

and after his death sued to set aside the con-  
tract, because it had been obtained by fraud  
and misrepresentation.

The Appellate Court, which decided for the  
widow, says it is not a question as to whether  
she was satisfied, but whether or not she was  
deceived.

worth that wholesale. There are two ways to buy a  
coat: Look elsewhere, then come here; the other way  
is to look here only and save time.

Every Coat and Suit is marked in plain figures,  
just like every other piece of goods in our store, because

ACCORDING to the statistics, only one out of 2,500 boys who smoke cigarettes are bright. But we all knew that before.—Louisville Post.

THE Illinois Supreme Court has decided that although automobiles may be pleasure vehicles, they are still subject to the wheel tax in the State.

BESIDES KIPLING, Mr. Taft has other hobbies. One is music, particularly rag-time. Favorite tunes: "Rufus Rastus Johnson Brown" and "The Road to Mandalay."

THE Tafts are playing in luck just now. Following the election to the Presidency of the brilliant WILLIAM, now comes the Hon. CHARLES P. TAFT, who is likely to land in the Senate of the United States. The rest of the Taft family are also doing quite well, thank you.

TRULY a man's life is fraught with many elements of uncertainty. Senator CARMACK only a few months ago was a brilliant statesman. He has since been defeated for Senator, beaten for Governor of his State and then murdered. Man's a vapor and full of woes; he cuts a caper and down he goes.

THERE is a political axiom, irrespective of party, to the effect that the Civil Service law does not keep in office those whom it is wise to dispense with, nor exclude anybody whom it is expedient to get in. "Party necessity" swells the company of Uncle Sam's plum catchers with each new administration, and the "must" class must be provided for with every successive rotation in office.

It will be some time before Uncle ADLAI STEVENSON is got out and dusted off again.—Milwaukee Sentinel.

If human sympathy could ameliorate human suffering, then the grief of the Hon. HENRY WATTERSON and wife over the terrible death of their beloved son, HARVEY WATTERSON, would fade into a peaceful, loving sadness for their noble boy. One touch of Nature makes the whole world kin, and the crushing blow which fate deals out to loving parents comes to nearly all of us when we least expect it. Parental grief, though poignant and heart-rending and weakly human in its intensity, is nevertheless celestial in its unspeakable yearning for those snatched away from us forever. Therefore, be ye also ready, for the chastening rod may smite you and I and any of us this very hour. But for Marse HENRY all hearts grieve and all heads bow down together in a wordless prayer for him and his and for eternal grace when the dark pall of sorrow comes.

DISTRICT ATTORNEY-ELECT HUNT of Cincinnati came to New York to find out from District Attorney JEROME how to prosecute the wicked men who have been looting that part of Ohio. If he found out he would confer a great favor upon the people of New York by letting them know.

Mr. JEROME has been in office almost seven years, and if there is any criminal of "high reputation and business standing" that he has sent to Sing Sing it was done in such secrecy that no Court records disclose it.

The men who in Cincinnati correspond to the Ryans, Harrimans, Hydes, Perkinses and McCurdys of New York will congratulate Mr. HUNT for having gone to the best source in the United States for knowledge how not to convict.—New York World.

HUNTING TRAGEDIES

Brother Kills Brother and Prominent Flemingsburg Man Is Dreadfully Wounded

Yesterday morning, on his mother's farm near Flemingsburg, Mr. Thomas H. Dudley, one of that city's prominent citizens, was accidentally shot in the face by Clarence Cottingham, young son of the tenant on the Dudley farm, the charge of bird shot hitting Mr. Dudley in the face, lacerating every feature in a terrible manner, knocking out most of his teeth and both eyes. After the shooting Mr. Dudley was removed to his home.

If he recovers he will be horribly disfigured.

Cottingham, who did the shooting, is beside himself with remorse and is acting like a crazy man.

A few minutes before Mr. Dudley was shot his brother, Henry, accidentally shot and killed a fine hunting dog valued at \$50.

MORE COAL

At Pittsburgh Awaiting River Shipment Than Ever Before

Rivermen at Pittsburgh are in a sad state of mind. There has been a good snow on the Western shed of the Allegheny Mountains, and should this melt it would surely make coal-boat water. It continues cold, however, and the coal men fear that it will be many weeks before they will be able to get their coal out.

It has now been 18 weeks since a good coal-boat stage of water was shown and it is estimated that there are 30,000,000 bushels of coal in the harbor to go out.

In order to prevent a famine in the South it will be necessary for coal men to lift much of this coal from the river and ship it South by rail.

WOMAN'S BACKACHE

The back is the mainspring of woman's organism. It quickly calls attention to trouble by aching. It tells, with other symptoms, such as nervousness, headache, pains in the loins, weight in the lower part of the body, that a woman's feminine organism needs immediate attention.

In such cases the one sure remedy which speedily removes the cause, and restores the feminine organism to a healthy, normal condition is

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Mrs. Will Young, of 6 Columbia Ave., Rockland, Me., says:

"I was troubled for a long time with dreadful backaches and a pain in my side, and was miserable in every way. I doctored until I was discouraged and thought I would never get well. I read what Lydia E. Pinkham's Vegetable Compound had done for others and decided to try it; after taking three bottles I can truly say that I never felt so well in my life."

Mrs. Augustus Lyon, of East Earl, Pa., writes to Mrs. Pinkham:

"I had very severe backaches, and pressing-down pains. I could not sleep, and had no appetite. Lydia E. Pinkham's Vegetable Compound cured me and made me feel like a new woman."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

Unimpeachable

Is the one word that best describes the style of Creighbaum Clothes. Creighbaum-tailored means hand-tailored, and hand-tailored means that style is literally worked into the garments in a way that makes them distinctly correct. One of the functions of tailoring is to avoid the common-places, yet to secure this distinctiveness you need not pay the soaring prices of ready-mades. Pay me \$18.48 for a Suit or Overcoat to measure and you get all of the style—the very best style—but a saving of a half to one-third over the prices of other good shops. Everything exclusive but the price.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

The Vernon Stock Company Makes Big Hit at Washington Opera-House

One of the largest audiences assembled at the Washington Opera-house for some time packed the three floors last night to witness "A Cowboy's Romance" as rendered by the Vernon Stock Company, which is holding the boards all this week.

The gallery gods, with vociferous applause, almost raised the roof and they haven't had such a chance to yell for months. The "400" were also there and wore the "Bowery grin" and cheered the many hits to the echo.

Without a doubt Managers Vernon and Smith have an excellent company and a week's first-class amusement is in store for our local theater patrons. Last night's character cast was most pleasing and THE LEDGER is glad to praise all the three ladies especially—Misses Bertha Fellen, Florence Radeinoff and Emma Hayme. They are top-notchers.

Tonight's bill will be "The Strange Adventures of Miss Brown."

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when this tube is closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; likewise outflow of mucus caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O.

The dispute arose over a transaction in turkeys in 1905.

GALLIPOLIS, O., November 16th.—United States Marine Inspectors Thomas and Clark made their annual inspection of the steamer Tornado, which, with a tow of 15 barges, is lying high and dry several hundred feet from the water near the middle of the Ohio river on Captina bar.

The Inspectors report that steamer and tow, which are valued at \$38,000, are uninjured after being out of water three months.

Miss Kate Smith and friend were calling on Anne D. Williams Sunday evening.

Mr. Raymond Stevens returned home Sunday evening, after a few days' visit with friends and relatives in Fleming county.

Mr. James Ingram and two sons made a business trip to Plimmers' Landing Monday to secure lumber to erect a temporary homestead.

As a result of a painful jag from a splinter from her teacher's chair while at school, little Miss Mary Sargeant is suffering with a painful finger wound.

Uncle Redmond, a respected and worthy colored citizen, residing on the farm of Mr. John Coughlin, is seriously ill and is being cared for by his landlord and neighbors.

Mrs. Ingram, who, with her children, is suffering with cold, contracted from exposure during the night their home was burned, was calling on Dr. Marshall of Washington for medical aid.

To correct a false impression we have been requested by the Ingram family to say that they carried no insurance policy on their household property, which, with their clothing, was almost entirely consumed by the flames.

Mr. William Kahler, after soliciting contribution funds for the Ingram family, presented Mrs. Ingram Tuesday morning with \$19.45 cash and the list of names of the generous and kind-hearted contributors, which was accepted with grateful appreciation.

Mrs. Charles Breeze of Maysville, as a result of an election bet with her brother-in-law, Mr. Weede Breeze of this place, in regard to the Bryan-Taft election, the winner to give an elaborate dinner at their home the following Sunday, heroically accepted her situation, and in her accustomed gracious and pre-possessed manner presided as hostess to a number of social guests. Those from the neighborhood were Mr. Weede Breeze, the happy winner, and wife and daughter, Mr. and Mrs. Alex Rains, Mr. and Mrs. Clarence Rains, also a number of city guests, numbering in all about twenty-two persons.

Miss Brownie Clifford has taken a position with D. Hechinger & Co. as bookkeeper and stenographer.

The Executive Committee of the Baraca Class met last night. It considered many things. It organized an Employment Bureau, to be known as the "Baraca Employment Bureau." A. O. Bowden was chosen President and H. C. Barnee Secretary.

Yesterday Sheriff John Goddard of Fleming county surrendered to the officers of Mason county, two colored men, James Smith and Lawson. They were arrested in Fleming county on warrants issued from Squire J. O. Fickrell's office, this city, charged with false swearing.

**Our Colored Citizens.**

Mrs. Henry Wolfe was at Northfork Sunday to attend the bedside of her sister, Mrs. Nora Pleasant. The latter is improving.

## EDUCATIONAL RALLY

**To Be Conducted Throughout Kentucky By State Department**

An educational rally and revival for Kentucky, such as has recently been carried on in a number of Southern States, is planned by State Superintendent J. C. Crabbe. The revival will be under the auspices of the Southern Educational Board.

The date will be from November 29th to December 5th. Every county in the State will be visited, and two or more speeches made.

The speakers from out of the State will be: Thomas C. Miller, State Superintendent of Schools of West Virginia; J. N. Powers, Superintendent of Mississippi; R. L. Jones, Superintendent of Tennessee; Dr. P. P. Claxton, Dean of Education of Tennessee University, and D. J. Kern of Rockford, Illinois.

Many State educators will take part and speak in the counties.

A number of dates have been made for the speakers, the Rev. William Dunn Ryan being assigned in this District as follows—

December 1st—Fleming county: Ewing, morning; Flemingsburg, afternoon; Poplar Plains, night.

December 4th—Bracken county: Milford, morning; Brooksville, afternoon; Angusta, night.

December 5th—Lewis county: Concord, morning; Vanceburg, afternoon; Glen Springs, night.

## THE PERFECT WAY.

**Scores of Maysville Citizens Have Learned It.**

If you suffer from backache, there is only one way to cure it. The perfect way is to cure the kidneys. A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

James Wells, living on Front street, Vanceburg, Ky., says:

"About one month before I began using Doan's Kidney Pills my back began to ache and pain and caused me a great deal of annoyance. I knew that if the trouble was not eradicated it might prove fatal. Often when I came home at night and went to bed the trouble was so severe that I had to continually change my position, and during the day I had to pass the secretions every little while. A friend advised me to try Doan's Kidney Pills. I procured them and the use of one box entirely cured me. I have had no symptom of kidney trouble since and give the credit to Doan's Kidney Pills."

Plenty more proof like this from Maysville people. Call at J. Jas. Wood & Son's Drugstore and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## THE SLEEPING SICKNESS WHICH MEANS DEATH

How many readers have heard of this terrible disease? It prevails in the far-away country—Africa—especially the Congo district. It is caused by the bite of a tsetse fly. When it bites a person, the sleeping symptoms begin and finally the sufferer sleeps until death occurs.

Contrast this with the peaceful, happy sleep of health. Is there anything more wearing than to lie awake at night, tossing about, nervous, with cold feet, hot head and mercy knows what else? Short of letting the tsetse fly bite us we would do almost anything for relief. How can we prevent it? Mr. George Hayee of Union City, Pa., writes: "I had lost my appetite, was all run-down, could not sleep nights. I had tried everything without relief. Vinol was recommended, and, to my surprise, it helped me at once; gave me a splendid appetite, and now I sleep soundly."

What Vinol did for Mr. Hayee, it will do for every run-down, nervous and overworked person who cannot sleep.

Vinol is sold in Maysville by John C. Pecor, Druggist.

**"LIVES OF GREAT MEN ALL REMIND US"**

The story of how Marshall Field amassed his great fortune may be told in a few words. He had something to sell and advertised it.

## NO MAN

**DELIBERATELY BUYS  
POOR CLOTHES.**

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap, cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.
